## Welcome to GSP Logistics

GSP LOGISTICS has grown and placed itself as an ultimate service provider in the Logistics Industry with its assurance of 15 years expertise. We have already registered our presence with our exclusive and largest network in the Logistics industry in all over India. We have created bonds among all around India and with the company by valuing the one-to-one relationship.

We aim at doing things differently to create a revolution in the customer service to keep all of us smiling with satisfaction.

## Our key Services

GSP LOGISTICS offers a comprehensive range of solutions to the requirements of delivery of all types of cargo – high value, critical and urgent shipments to all metro cities of India, Gujarat, Maharashtra & all major parts of the all over India. Based on the specific requirements of each individual or corporate the company provides customized services with the application of multi-model distribution systems integrated by Surface Transport, Rail Transportation, Air Freight & Sea Freight.

*All logistic solutions under one roof*

## SURFACE TRANSPORT

All your bulk consignments are transported through our own fleet of Vehicles managed by our sister concern firm JAI MALHAR ROADWAYS and through other modes to various stations all over India. Supported by container LCVs, TPC ensures added safety and on time delivery for surface Transportation.

## RAIL TRANSPORT

A well managed and competitive rail freight transportation program is essential for many firms involved in transporting bulk commodities. GSP Logistics has a diverse client base of companies involved in rail freight shipping as producers, distributors and receivers. Whether you need a complete full service solution or assistance with one aspect of your rail shipping, GSP Logistics has it covered with the most experienced fleet managers and the latest technology solutions in the industry.

## AIR FREIGHT

All your bulk consignments are sent through as cargo in flights to various destinations as per the choice of the customers. This provides specialized handling and door-to-door delivery of critical priority shipments by air transport. Based on customer requirements, air cargo shipments are delivered all over India in 24 to 48 hrs.

## **SEA TRANSPORT**

We provide a full array of sea freight forwarding services and managing shipping. Our services include flexible sailing schedules, shipment tracking, purchase order management. By contracting with multiple carriers, GSP Logistics can provide the solution to any shipping requirement and serve as a single-source logistics window for all products moving through your supply chain.

## Our Clientele

					
					
					
					

We render our usual and supreme services to various Nationalized and Scheduled Banks, Government and Semi-Government sectors, Corporations and top graded National and Multinational Industrial Houses adequately up to their highest fulfillment and have built up a symbol of trust amongst them. The above mention list of our customers says everything about our punctual service. This is a full proof substantiation of our brilliance in Logistics service.
